

# ACCESSORIES PATTERN AC09

## CUFFED SHAWL/SHRUG

*This garment is really useful for patients in hospital or just for keeping warm on a cold winter night. The cuffs prevent the shawl from slipping off the shoulders.*

**Materials** Approx 300gms DK wool  
Needles size 9 (3.75mm) and 6 (5mm)

**Cast on** 60 sts with size 9 needles and K1 P1 rib for 23 rows.

Next row increase in every st (120sts)

Change to size 6 needles and knit (garter stitch) for 44ins (excluding the ribbed cuff)

Change to size 9 needles and knit two stitches together right across the row (60 sts)

K1, P1 rib for 23 rows.

Cast off. Join cuffs for approx 3 ins.
