

## PATCHWORK PINCUSHION

- Cut out the 14 paper templates. Pin to the wrong side of various fabrics leaving space around them.
- Cut out each patch allowing a centimetre on each side.
- Fold the fabric neatly and accurately over the template all the way round. Tack in place.
- Join the patches by placing right sides together and over stitching.
- Make the top and then the bottom.
- Finally place these two pieces right sides together and over stitch all the way round allowing a gap for stuffing.
- Stuff firmly and stitch up.
