

BLANKET PATTERN BL05

Mrs Grumpy's Big Pin Pattern - Single Blanket

Note – I do knit quite loosely so you may have to add a few more stitches.

Measures approx. 42 inches wide by 72 inches long.

Use either 400g of chunky or Aran + one strand of DK (or a combination of yarns to achieve same thickness)

Using 12mm needles, cast on 80 stitches or using 10mm needles cast on 90 stitches

Knit 5 rows.

Continue each row knitting the first and last 5 stitches to form border.

Central stitches can be either plain knit, stocking stitch, moss stitch (k1, p1 reversing on row 2), basket weave (10 stitches knit, 10 stitches purl for 10 rows and reverse for next 10 rows) or indeed any pattern you wish.

Knit last 5 rows.

This is a great project for using all those odd bits of yarn. No need to sew ends in just knot new yarn in securely and cut to 1cm, knots will disappear into knitting
