

Rose

Pattern by Val Dagley.

Materials. New Fashion DK shade 132 (cardinal), 3.5 crochet hook. Each rose takes approx 10gms wool to give an eight cm rose. You can alter the size of the rose by varying the original chain length too as long as you work in multiple of 7 (ie 28chain will give a small rose). You may alter the colour and yarn to make roses for other fundraising schemes.

Method.

Chain 42.

1st Row. 1 treble into second chain, 1 chain, 1 treble also into second chain forming a 'v' shape. (1chain, miss one of the base chain, 1 treble, 1 chain, 1 treble into next chain) repeat to end.

2nd Row. Chain2 to act as first treble. 5 more trebles into smaller 'V' shape space. (1 double into larger chain space, 6 trebles into smaller 'V' space) repeat to end.

Roll up, sew into place and affix a brooch pin or safety fastener as per picture.
