

Wrist Twiddle Toy

Dk yarn 4.5mm hook and 12 pony beads or any bead with a large hole. (use a finer hook to pull the yarn through if the main hook won't go through the bead)

Thread the twelve beads onto the yarn

Make 12 x $\frac{1}{2}$ tr into a magic circle and sl st to join.

Ch 6, remove hook and slide the first bead up to the 6th ch. Push hook through bead and pull last loop through.

Miss 1 $\frac{1}{2}$ tr and sl st into next st, ch6 and pull up 2nd bead. Work as above using six beads. Join with a sl st.

Sl st into space at right of first bead, 2 ch, 1tr in same sp, ch 2, 2 tr in space to left of bead. *2 tr to right of second bead, ch2, 2tr to left of second bead*.

Repeat from * to * around and sl st to join.

Sl st into first 2ch space. Work 7 x $\frac{1}{2}$ tr into space above bead, sl st in space between the four trs of last round. Repeat round and sl st to join.

Work a 45 st chain (or length required to go round wrist). Move remaining beads onto chain. Sl st into base of chain. Cut yarn and bind around base and sew in ends.
